## FAQs

### What is Lantum?

Lantum is the digital platform provider that Greater Manchester Primary Care has partnered with to host their workforce bank. The bank is accessible to every practice and primary care service within Greater Manchester. Lantum also offers a rostering tool for all practices and services called Rota Pro which can be used for scheduling salaried staff as well as to reach into the workforce bank if needed.

**Q: Does it cost anything to my practice?**

**A:** No. Greater Manchester Primary Care covers the subscription cost for your practice. The only cost to you is the hourly rate for the locum GP, nurse, or receptionist, and a 1% payment processing fee.

### How do I register my practice?

**Q:** Follow this link to sign up and to get access to the workforce bank:

### Why does Lantum ask for payment details at sign up?

**Q:** The payment details being collected are only to establish how you'll pay the GP, nurse, or

**A:** receptionist that comes to work in your practice. You do not need to enter them straight away and can opt not to input the details. They are only required if you need to pay a locum after they have worked in your practice.

### If I decide to engage a doctor or member of the bank on a permanent basis, is there a finder's

**Q: fee?**

No. Lantum encourages you to meet new staff that can offer continuity of care at your practice. If you

**A:** offer someone a salaried position, there is no finders fee or penalty.

### Can I use Lantum's rostering tool, Rota Pro?

**Q:** Yes. Please get in touch with [maddie@lantum.com](mailto:maddie@lantum.com) to set your practice up with the Rota Pro tool and

**A:** to have a brief training session.

### Can I use Lantum to roster for the mass COVID vaccination programme?

**Q:** Yes. Please get in touch with [maddie@lantum.com](mailto:maddie@lantum.com) to get set up.

**A:**
